RESILIENCY — TEAMING UP TO MOVE ALONG

This Skill-Building Journal accompanies the Preschool *Including All Children/Resiliency — Teaming Up to Move Along* Module. You should read the Module before starting any activities.

In this Preschool Skill-Building Journal...

- ❑ You continue to BUILD your knowledge base about using early childhood classroom environments to support the needs of children who have experienced trauma
- ❑ You COMPLETE activities to help you effectively put your knowledge into practice
- ❑ You have lots of opportunities to SHARE your thoughts with your colleagues and your Trainer

What You Know	What's New	What You Can Do
<p>You know that participation in quality early childhood environments gives children a secure base. Positive relationships with teachers help them feel safe.</p>	<p>Participation in early childhood environments that are sensitive to their needs helps traumatized children learn to manage their stress and discover new interests and skills.</p>
